Sir:

Attached is Form PTO-1050, suitable for printing. The corrections stated in the attached Form PTO-1050 recite the corrections stated below.

Below, column and line numbers refer to U.S. Patent Number 7,587,446 B1, titled "Acquisition and Synchronization of Digital Media to a Personal Information Space," and issued September 8, 2009. Page and line numbers refer to the corresponding U.S. Patent Application Number 09/710,162.

**CORRECTION OF APPLICANT  
MISTAKES UNDER 37 CFR §1.323**

On page 3, References

On page 3, which is a continuation of Cover Page field (56) References Cited, please replace “2004/0188235” with “2004/0192260” so that the field correctly reads

- 2004/0192260 A1 9/2004 Sugimoto et al. .... 455/412.1 -

Reference 2004/0192260 was cited in an Information Disclosure Statement (IDS) filed March 6, 2009, at reference line “AZ.” However, the Applicants erroneously, and without deceptive intent, listed the inventor as Vasudevan, and listed Sugimoto as the inventor in the next reference line item cited therein. It would appear that, in an attempt to correct the Applicants’ clerical mistake, the PTO incorrectly cited 2004/0188235 to Sugimoto as a reference in the issued patent. Reference 2004/0188235 was not cited in an IDS by the Applicants, nor was it cited by the Examiner. Further, a brief reading of 2004/0188235 will show that the reference is not relevant to the Applicants’ invention. The correct reference is 2004/0192260 to Sugimoto, as shown above.

Respectfully submitted
